

MAT: Medication for Addiction Treatment

Are you interested in learning more about MAT services? Come talk with us! Our skilled team of medical experts and staff can help you explore options and consult with you about the variety of medications that Fora Health offers for people with opioid or alcohol use disorders.

Benefits

Medications can reduce cravings, substance use, and the risk of overdose. They can also help improve brain functionality and can help patients stay connected to treatment and feel better overall.

Get Started

To access MAT at our Hillsboro location:

- ▶ Call 503-713-9155
- OR**
- ▶ Walk in between 9:30-5:00pm Monday-Friday

To access MAT at our SE Portland (Cherry Blossom) location:
