

## Open Access Telehealth Services

Fora Health is here to walk with you in your next steps of recovery. We offer same day, call-in outpatient substance use disorder treatment assessments and enrollment.

### Open Access Hours

To get established in our Outpatient care, we will need to connect you with one of our Addiction Counselors to complete a phone or a video assessment during Open Access hours:

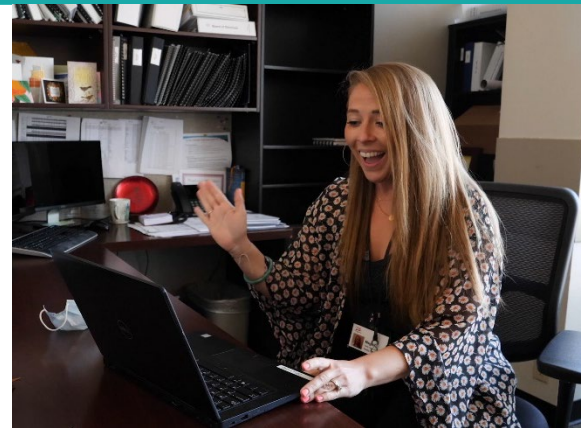

- ▶ **Tuesdays from 1:30pm - 5:00pm**
- ▶ **Thursdays from 10:30am - 2:00pm**

### Enroll Today

Call **(503) 535-1151** during the above times and our care team will complete a 2-hour assessment and enrollment on the same day.

Individuals who are not available to call-in during these times can call during regular business hours to schedule an assessment appointment.

*Due to COVID-19 parameters we are completing all Open Access Enrollments over the phone or by Zoom.*
